Sutton Painting and Decorating, Inc. Wins PDCA Charity Award

(St. Louis – March 2010) The Painting and Decorating Contractors of America (PDCA) selected Sutton Painting and Decorating, Inc. for their work on “Show House, Solebury, PA” as a recipient of the 2010 Picture It Painted Professionally (PIPP): Charity Award. PDCA’s annual awards program brings recognition to the outstanding projects of the Association’s professional painting and decorating contractors.

Sutton Painting and Decorating had one month to start and complete the painting in the room. Their work was painted on the focal wall. The other walls and ceiling were a gradation of the focal wall colors. The room was located in a Victorian home built in the 1850s. While removing the old wallpaper from one wall they discovered a height chart written in pencil which dated back to the 1880s. Pearl Glaze was intentionally rolled on the wall to capture the glitzy sheen which helped achieve the glamour of the Hollywood Regency style of the 1940s. For their participation in this volunteer project along with more than 50 other designers Sutton Painting and Decorating, Inc. has been selected as a recipient of the Picture It Painted Professionally Charity Project Award.

The award was bestowed earlier this year during the PDCA Awards Program at the association’s Paint and Coatings Expo (PACE) mega convention and trade show in Phoenix. “PDCA is excited to recognize Sutton Painting and Decorating, Inc. for their exceptional work”, Richard Greene, PDCA CEO, Stated.
